

**IT DOESN'T
JUST COUNT.
IT MAKES
A DIFFERENCE.**

Every 10 years, the U.S. census is sent to every household in the country. It contains 10 simple questions. The only wrong answer is not giving one. Completing the census helps Alabama obtain \$13 billion in funding used to improve our state's future. This means better health care, schools, roads, job opportunities, and more. And it only takes 6 minutes. Complete the census in March 2020.
